Dear Lederberg,

Sorry: no. I have many pleasant memories of the 1946 Cold Spring Harbour meeting, and could tell you many funny stories about it, but I have no documentation. The only point that might possibly be relevant is that I was invited on the suggestion of Chargaff. I met him in ~~in~~ 1936 when I was working with Landsteiner in the Rockefeller Institute and we had kept in touch.

Also no. I have not seen the work edited by H K Beecher. It does not seem that I am missing much. Mythology springs up everywhere.

Yours

Bill Pirie
